

To Whom It May Concern,

11/7/05

I have been a Petaholics client, well my dog maggie has really been a client for almost a year. I have been very satisfied with the service and the promptness of the dog walker who takes care of Maggie Thursday afternoons.

The pay scheduling through paypal is very convenient and easy to use. Jordan has been very accommodating of providing me a walker for Maggie on days where I need to change the walk schedule due to work or personal conflicts.

Maggie is a difficult dog to walk, as she is incredibly skittish, so finding a suitable dog walker could have been quite the challenge. However, Jordan made sure to have the walker meet Maggie first before accepting the job to ensure that the relationship would work. I would recommend Petaholics to anyone looking for a responsible dog walking service with a very professional staff.

Thanks,
